DIGITAL FOOTPRINT & IDENTITY

We define
who we are.

Digital citizenship: Thinking critically and using technology responsibly to learn, create, and participate

Instructions

It's important to be aware of our digital footprint. Follow the footprints to see what you can learn about each person. Get one or more family members together to help. Don't forget to read the setup before doing the activity together!

Setup

Read aloud: What we do online leaves digital footprints that can give clues about what we do and who we are. We should be aware of the digital footprints we're leaving and the person that we appear to be to others online.

Activity

Read aloud: Let's follow the digital footprints, read the clues, and talk about what we learn.
